

## East Duplin Soccer Club Sponsorship Application

The East Duplin Soccer Club is asking for your company or individual sponsorship. EDSC is a growing club that wants to provide the best facilities possible for local soccer teams in Duplin County. Our purpose is to provide an atmosphere that will promote individual development and growth through participation in the game of soccer within the context of a family friendly environment. With over 200 players in our soccer program, 130 plus games with surrounding clubs in a given season and several tournaments, EDSC can offer an excellent community-based advertising opportunity and help you promote your business or organization as a community partner. Your sponsorship will assist in affordable registration fees, field maintenance, complex improvement, equipment repair, and new equipment for our organization. And most immediately, the completion of our Field House that will contain bathrooms, concessions stand and conference room.

Our sponsorship programs are available at various levels, starting at only \$25. Sponsor acknowledgments and benefits commensurate with the level of contribution made. EDSC would appreciate your sponsorship. Your donation will play a major role in the success of our players as they grow within EDSC and in their future athletic endeavors. If you have any questions about our program or need additional information, please contact Randall at 910-372-2616 or [eastduplinsc@gmail.com](mailto:eastduplinsc@gmail.com). Any support you can provide would be greatly appreciated.

Sincerely,

Randall Shoup

- 3. Other:** If none of the above options are suitable, we welcome any size gift. We are grateful any contribution you can make to our club.

### **Update on our Field House**

**Thanks to the generosity of Smithfield Hog Production and Superior Metal Structures and Concrete the *outside* of our new Superior Metal and Structures Soccer Field House is paid for in full. If all goes as planned, they will begin delivering dirt the last week of March 2019. The building is a metal 24' x 49' with an additional 12' lean-to (porch). It will have men and ladies' restrooms, concession area, and meeting room. Pictures are provided below. The colors of the building are lighter gray on the walls, darker gray for the roof, and white trim. We intend to have accents, such as black exterior light fixtures. Because**

**of their generous gift, Superior Metal Structures & Concrete will have sole naming rights on the outside of the building. The concession and meeting space will be named after Smithfield.**

**Certainly, for a larger gift of \$5000, the men or ladies' restroom can be named after your company or family. Included in that gift is also the selection of any level of sponsorship you choose guaranteed for two years. We can discuss how you would like your name or company's logo displayed inside the building near the restroom door or inside the restroom and you can also help us choose what the interior of the restroom would look like given the already established plumbing parameters.**

**We are currently raising funds for the plumbing, electrical, wood supplies for inside, fixtures (both electrical and plumbing), and power.**

**At the end of this document is a sponsor/donation form. If you are willing to give, please fill out the form and mail it to the PO Box at the bottom of the form or see Randall Shoup in person (910-372-2616). Also, by the last week of March 2019 you can give electronically through our website [www.edsc-nc.com](http://www.edsc-nc.com) in a secure format.**

**Thank you for your consideration,**
